

Peoria **FIRST**® LEGO® League Kickoff Training

The Peoria FIRST® LEGO® League Planning Committee is pleased to offer a Kickoff Training session designed to support teams as they prepare for the 2025 UNEARTHED™ challenge. This event will provide valuable insights into robot design and the innovation project, as well as an opportunity to engage with experienced teams and coaches. Attendees will also learn about updates for the 2025/2026 season and gain a clear understanding of what to expect at the tournament in December.

Please sign up for the Kick-off using the **Google Form** link below.
